

# Bring back wetlands!

Apply for funding from the  
Evenlode Wetland Creation  
Grant Scheme

## Funding available

**Calling all farmers, landowners and communities in the Evenlode catchment!**

Make a difference for the environment and your local community through the Wetland creation Grant Scheme.

Example ideas:

- transform a damp corner of a field
- restore a former pond site
- reimagine an area of floodplain

## Why create wetlands?

- ✓ A vital wildlife habitat
- ✓ Improve water quality
- ✓ Reduce flood risk
- ✓ Provide opportunities for education and recreation

The Evenlode Wetland Creation Grant Scheme is funded by the Water Restoration Fund. The Scheme will be delivered by the Trust for Oxfordshire's Environment (TOE) in partnership with Wild Oxfordshire, the host organisation of the Evenlode Catchment Partnership (ECP), and Natural England.
